

**Kimiko O. Bowman**

Guest Scientist, Modeling and Simulation Group  
Computational Sciences and Engineering Division  
Oak Ridge National Laboratory  
Oak Ridge, TN 37831-6191, USA  
Phone: (865) 574-3126  
Fax: (865) 574-0598  
Email: [bowmanko@ornl.gov](mailto:bowmanko@ornl.gov)

K. O. Bowman is a retired senior research scientist in the Computational Sciences and Engineering Division at Oak Ridge National Laboratory. She is an expert in the distribution theory, estimation, and questions on sample size in the field of statistics.

In research she has published over 200 papers in books, journals, technical reports, and proceedings. She is an elected member of the International Statistical Institute, fellow of the American Association for the Advancement of Science, fellow of the Institute of Mathematical Statistics and fellow of the American Statistical Association. She has a B.S.ed in mathematics and chemistry from Radford University, a M.S. and a Ph.D. in mathematical statistics from Virginia Polytechnic Institute and State University and a Doctor of Engineering in computational mathematics from University of Tokyo.
