

Ricaye LaShawn Harris
Senior
Wofford College
Spartanburg, South Carolina

Major: Computer Science

Faculty Advisor:
Dr. Angela Shiflet

Program:
Research Alliance in Math & Science

Email: harrisrl@ornl.gov

Research Area: Computational Science

The project includes experience in programming related to one or more CAWT applications, web page creation, website administration, process documentation, and customer relations. Investigation of various software packages will determine the most appropriate application or applications to be deployed.

Research Mentor:
James Pearce, Ph.D.
Networking and Computing Technologies
Computer Science and Mathematics Division
Oak Ridge National Laboratory
